To whom it May Concern;

Over the years, we have had the pleasure of dealing with LBM Consulting. Besides being very professional and knowledgeable, their staff is down to earth and easy to talk to. We were made to feel very appreciated as their clients.

I have had very great service dealing with their Group and Disability specialist, Len Mac Lachlan. - He is very caring, knowledgeable and extremely confidential. That's a big plus with me. I have absolutely no problem with recommending that you speak to Len about your insurance needs. I feel very strongly that you will be happy with his outstanding performance and service.

Give Len a try and judge for yourself. I am sure you will be pleased with the outcome.

Sincere Regards,
